Nov. 8th 1945

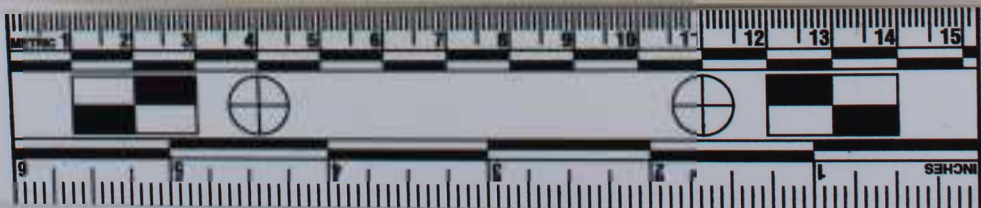

Dear Aunt Edith:

Thank you very much
for your nice long letter of Nov. 4th.
Really, I don't know what to think
about the East Palestine affair - it is
all news to me. If you want my
brother George's address it is Box 653
Grand Rapids, Mich. His home address
was 1141 Benjamin Ave, Grand Rapids
but he has sold his home and
I don't know yet his new address
so better use Box 653 address as
I'm sure he will get mail there ok.
Helen's husband Tom recovered from
his operation ok. I phone my aunts
almost daily and they are quite

well - Alfred is a very fine boy
and is doing well in school.
My wife, George has had 13 lower
teeth extracted and the poor girl
is having quite a time of it. So sorry to
hear of little George being so ill - Let's
hope an operation won't be necessary & as
Alfred will expect to have Aunt Mary -
Emily - Tom - Helen - Alfred here at our
home for Thanksgiving Day.
Yes, the election was a big surprise
and I agree that no party should be
in power too long a time but the
majority must be right after all
and I think that Pres. Truman will
be much better than this new team
with a more agreeable Congress.

When I see the folks. ~~all~~ let them
read your letter. Really, Aunt Edith
I don't think that the E. Palestine
business will ever mean much to
any of us - it seems too distant
if you know what I mean.
However if we do benefit anything
from it - fine! if not let's not be
surprised either way.

It sure was nice to hear from
you and to know you are as well
as you are. In closing, I am Glad to
wish you and all a Very Happy
Thanksgiving Day.

We enjoyed seeing Harold and his
wife family here even if it was

- such a short visit. I never hear
from Tom or Ray Hartough except
at Xmas. when I got a card.

The same for Amy and Jack Smith.
I never hear from them.

Please write me again, Aunt Edith
and let me hear how you are.

Love,

Nephew,

Charles.
